

Plastic Bollard Covers

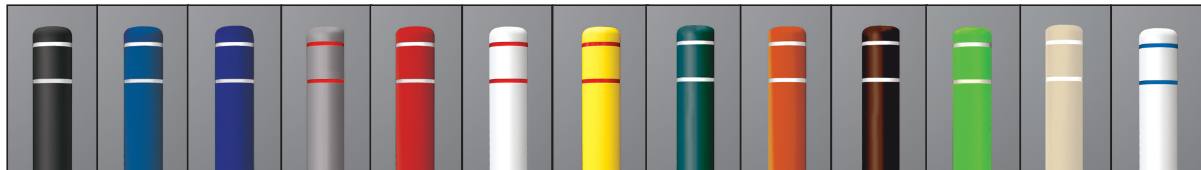

Nobody likes flaking paint and rust. Our Plastic Bollard Covers protect bollards and posts and makes them look great for many years. Plus, they virtually eliminate time consuming maintenance. Choose from a wide variety of styles, colors and sizes to match any facility's theme or landscape design.

Whether you select Flat Top, Dome Top or Decorative covers, they install easily over new or existing bollards. Using a unique adhesive-free installation, the

Plastic Bollard Covers remain tightly secured in all weather conditions.

The 1/8" thick high quality polyethylene provides enhanced tensile strength with fade resistance for six years. Guaranteed! To increase visibility and safety, the Flat Top covers come with two recessed 3M™ Reflective Stripes. They look good with or without stripes.

Bright, clean, attractive and saves costs – Plastic Bollard Covers do a nice job.
